APSD

25X1

Status of APSD HPSC Software Models and Fortran IV Programs

| SYSTEM | Stein 4b |
|---|---|
| LEVEL OF COMPLETION | |
| MATH MODEL | Done |
| CARD DECK | Done |
| EVALUATION & MODIFICATION | Underway |
| OPERATIONAL | 31 Dec.. |

APSD states that they are designing their programs to interface readily with existing equipment. APSD is not producing any interface logic.
